BUMBLEBEE / B-127

B-127 has been alone in the lowest sublevel of Iacon for what feels like forever. He hasn't spoken to another bot in a really long time.

When he finally meets new bots, he tends to be overbearing and a bit too chatty, but he means well. B-127 always has a positive outlook and proves himself to be a bot you can count on.

SHOULDER

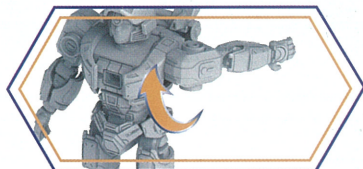

Shoulder joints can swing up, down, left and right, affording a wide range of movement
