3rd, October, 2016

Dear customers

TOMY Company, Ltd.

Notice of Voluntary Recall of
'Mickey Akachan Kerotto Switch' and 'Minnie Akachan Kerotto Switch'

TOMY voluntarily recalls the products "Mickey Akachan Kerotto Switch" and "Minnie Akachan Kerotto Switch" manufactured in Thailand in 2015, of which stuffed part is made in Indonesia. We have confirmed phthalic acid Bis (2-ethylhexyl as DEHP) from the sponge used inside of the ear-part of the products, which exceeds the standard limit determined under the food hygiene law and ST standard determined by Japan Toy Association.

If you have the mentioned products in hand, please resend the product to the address below for a refund by postal order. We are sorry to cause you the trouble, but please send the product back by cash on delivery.

We apologize to all the customers for all the inconvenience caused, we will strengthen measures to carry out thorough quality control in order to prevent the recurrence.
